

Tuesday, July 16 – Seawell’s – 8:45 a.m. – Noon

***Vendor Set-up and Check-In begins at 8:00 am**

Getting a builder on the phone is tough!

Setting up a meeting with one to talk about your product and/or services is near impossible.....

What if you could have **six** minutes of face time with a Top Home Builder where you could show your product and answer any questions they may have? **What if you could have 6 minutes with all participating builders in one morning?**

That’s what **BIA Builder Speed Networking** is. We’ll get the builders, you get a table and two chairs. Bring your materials and set up for the best sales and marketing opportunity of the year.

**** SPACE is LIMITED and RESTRICTED.**
Only two similar companies (ex. plumbing, roofing, material suppliers, etc.) allowed – first come, first served.

- Top Builders (Invited):**
