

Tuesday, July 16, 2019 – Seawell’s, Columbia, SC
8:45 a.m. – Noon Free to attend - Includes Lunch

Builder Speed Networking will put you in front of up to twenty BIA Associate members with products and services needed by you as a leading home builder. Send your purchasing manager and another company representative to meet with each vendor and learn if they have something you need or a better price for something you’re already using.

There is *no fee to attend and lunch will be provided.* Builders who have participated in our previous Builder Speed Networking events have raved about the wealth of information they received. And now...we need you on-board to make this event a huge success.
